

NOVEMBER 7, 2018

Thomas McNavage, Jr., PE

AECOM

&

Christopher Wright, PE

Join us as we take a look at the Messinger Street Bridge replacement project. This challenging project replaced an orphan ten-span concrete reinforced viaduct carrying SR 1018 (Messinger Street) over Martins Creek and the Norfolk Southern Railway with a three-span steel multi-beam bridge which “threaded the needle” of the challenging site conditions.

One (1) PDH will be offered for this event.

Register via paypal/ASHE East Penn Website

Eastpenn.ashe.pro

When registering, please specify dinner selection:

- Top Sirloin of Beef w/ demi-glace & topped w/ horseradish
- Parmesan Encrusted Cod topped w/ parmesan & crumbs
