MAY 4, 2021

**ASHE EAST PENN PROJECTS OF THE YEAR
&
INSTALLATION OF OFFICERS**

We invite you to grab your favorite beverage and join us during happy hour as we present the awards to the ASHE East Penn Project of the Year recipients and install our 2021-2022 officers!

One (1) PDH will be offered for this event.

During challenging times, we thank everybody for another great year in being able to deliver on our mission and allowing ASHE East Penn to provide scholarships to upcoming Civil Engineering or Civil and Construction Engineering Technology students.

Register via the link within the announcement email.

(A link to the meeting will be emailed the day prior to the meeting)

Not an ASHE East Penn member? Fill out [this](#) form and email it to tdominiecki@GFNET.com.

Trouble with the link? Email Tom Dominiecki at tdominiecki@GFNET.com to register.

2021-2022 ANNUAL SPONSORSHIPS WILL BE AVAILABLE! Annual sponsorship includes sponsors' logo displayed prior to all virtual meetings and on all ASHE East Penn mass communications throughout the year. Additionally, logos will be displayed on the ASHE East Penn homepage with a hyperlink to the sponsors' website. Check the ASHE East Penn homepage in the fall of 2021!

Not a member? Email Tom Dominiecki at tdominiecki@GFNET.com to get on our mailing list.

**LAST DAY TO
REGISTER:
5pm April 30th**

Instructions for using Remo:

A link to the virtual session will be provided in the reminder emails after the close of registration.

Please run the Remo Systems Check before the event to avoid issues during networking and the event. **REMO IS NOT COMPATIBLE WITH MICROSOFT INTERNET EXPLORER OR EDGE.**

In order to ensure an enjoyable and successful event, we ask that participants review the following and resolve any issues before the event:

- **Log on in advance to establish your username and password.** You may also provide a profile picture and firm name if desired.
- **Become familiar with how Remo works.** The event will have a networking portion and a presentation portion. Click on the Remo Event Guide button below for more information.
- **Perform a systems check before the event.** Verify that your browser, computer, microphone, and speaker are compatible with Remo before the event. The recommended browsers are **Chrome**, **Safari**, and **Firefox**. Verify that Remo is not firewalled by your IT Department. Click on the Remo Systems Check button below to run a one-click systems check.
- **Need more information or having technical issues? Check these links:** [REMO Event Guide \[remo.co\]](#) | [REMO System Check \[remo.co\]](#)
