

AMERICAN SOCIETY OF HIGHWAY ENGINEERS

INCORPORATED 1958, HARRISBURG, PA.

EAST PENN SECTION

February 13, 2026

Attn: Guidance Counselors

The East Penn Section of the American Society of Highway Engineers has a Scholarship Program for high school seniors who are enrolled or planning to enroll in a program leading to a bachelor's degree in Civil Engineering or Civil and Construction Engineering Technology. Our Section will be awarding a minimum of **four scholarships**, known as the Robert L. Brown and the Robert L. Donovan Memorial Scholarships, with each Scholarship being for \$2,500!

Enclosed is a copy of scholarship program information which includes eligibility requirements, the student application form, and the guidance counselor/teacher recommendation form. Please make as many copies of this application as necessary. Your assistance in distributing and publicizing this scholarship program within your high school(s) is greatly appreciated.

Like prior years, we will be accepting both electronic and paper applications. There is a complete application pdf file, as well as a Recommendation Form pdf that the student must forward separately to their counselor or teacher. Electronic Recommendation forms must be return emailed **from the counselor/teacher's school email** to be considered valid! And sending a link to a file on a Google drive will typically not work – attaching PDF files directly to email is the best approach. Applications are to be returned to the address below and must be emailed/postmarked by **April 3, 2026**:
